

Travel Advisory: Effective Friday, January 15, 2021, the City of Chicago issued a Travel Order applicable to anyone coming into the City of Chicago from designated states with a significant degree of community-wide spread of COVID-19.

Travelers arriving from states in the ORANGE category (above 15 average daily cases per 100,000 residents) are directed obtain a negative COVID-19 test result no more than 72 hours **prior to arrival** in Chicago or quarantine for a 10-day period (or the duration of their time in Chicago, whichever is shorter). This map was updated on February 23, 2021. This does not apply to individuals who are fully vaccinated (two weeks after the second dose of a two-dose vaccine or after one dose of a single-dose vaccine) and do not have symptoms.

You can learn more about the Emergency Travel Order on the City of Chicago's COVID-19 website:

Should you become ill during your stay, please self-isolate, contact the Chicago Department of Public Health and notify the front desk immediately. We will promptly undertake additional COVID-19 protocols for your safety and the safety of other guests and employees. Customers should review all federal, state, and local travel guidance to confirm eligibility to travel. Due to government restrictions on travel, reservations may be subject to cancellation.
